Slack References (Due 1/11)

Post 2x game or game-like things that you find interesting to the references channel on Slack, along with 2 - 3 sentences about why you find them compelling/poetic/moving/aggravating/etc. This will help us create a collective vocabulary and context for discussing games and game-like art.

Helpful Slack Resources

- Getting started guides on Slack's help page.
- Slack cheatsheet.
- You can access Slack from the browser or from any of the Windows/Mac/iOS/Android applications.
